

Tuesday's Thoughts

Good morning, church family. It is quiet around here today. Everyone has taken off except for Carmen and me. We are manning the phone and doing the things we do to keep everything running smoothly while Glinda, James, Zack, and Forrest are away having fun. Don't you feel sorry for us? I am truly thankful for our church staff, and I'm glad they have the chance to take some time and enjoy family during this special time of the year.

I wanted to share a word of caution with you this morning. I just heard that a large number of students were sent home from Dadeville Schools yesterday with multiple positive tests. We had been doing so very well in our town, but it looks like the virus may be hitting us hard this week -- just in time for Thanksgiving. I share this with you just to remind you to be extra careful and take appropriate precautions to protect yourself and those around you.

I am praying that our Heavenly Father will protect each of us from this virus. I am also praying that you will have a fantastic Thanksgiving.

Blessings,

Bro. Ben
