

Covid-19 Update

Good evening, church family. The Leadership Team has been praying about our plans to start back to on-campus services. We have decided to do so on February 7. This is what we are planning:

1. Start back with both worship services at 8 and 10:30 a.m. Nursery will be provided in 10:30 service only. We are encouraging our young families and less vulnerable members to attend this service, and we hope our more vulnerable population will attend at 8:00. We will clean the sanctuary between the services.

2. We will continue to sit on pews with bows at 8 a.m. and pews without bows at 10:30 a.m.

3. We will continue our online-only Sunday School.

4. We will start back on-campus Wednesday activities for adults and youth.

5. We encourage mask-wearing and social distancing protocols.

Please know that we feel strongly about the need to get back together on-campus, but we want to do so safely. We will continue to evaluate the situation and make adjustments to our plan as necessary. We would love to hear your opinion about what we are doing, so please let us know.

**In Christ alone,
Bro. Ben**
